Nature of Business we can support

We have a team of professionals in India systems to support our small and big clients. We also have a coordination office in UAE and support local requirements in time.

I have experience in **India, Iraq, South Sudan, Kenya and Somalia** for more than 15 years and worked across industries including **automobile, Textile, banking and UNFAO** ( Non-profit making organizations) supported by donors community. I have worked with different donors including **EU, EC, USAID, DIFID, OCHA, UNDP etc.** Managed projects worth more than 100 million USD year by years.

**Rajiv Agarwal**
